Fresh Air Thinking

## Welcome

Our historic Georgian country house, Peterstone Court, located in the Brecon Beacons National Park, offers a blend of breathtaking surroundings and inspiring work spaces

At Peterstone Court, meetings and events are more than just run-of-the-mill gatherings. Here, blue sky thinking is the norm and inspiration is as plentiful as the fresh air.

Our venue can comfortably host anything from intimate meetings of a dozen guests to presentations for up to 150 people. All our work spaces are equipped with natural light, wireless internet, and break-out spaces.

After a productive day, retire to one of our twelve charming bedrooms. Eight spacious rooms are housed in the main building, while the converted stable block houses four additional loft rooms.

This brochure offers a sneak peek into what Peterstone Court has to offer, but words and pictures can only do so much. We warmly invite you to visit and experience the true beauty of our venue, and to discuss your specific needs in person.

We appreciate your interest and eagerly await your visit to Peterstone Court.
